DEER VALLEY

WITH EVERY SEASON, A NEW ADVENTURE UNFOLDS

In spring, local rivers swell with hungry trout. Summer's cool greens create the perfect canopy for biking. Autumn's golden aspens invite long, meditative hikes. In winter, skiers gleefully charge impeccably groomed slopes on one of America's best ski resorts.

Overlooking Park City, Montage Deer Valley grants unprecedented ski-in/ski-out access to Deer Valley Resort — but world-class skiing is only one of its countless, all-season pleasures.

SMALL-TOWN CHARM WITH A COSMOPOLITAN VIBE

Just 36 miles from Salt Lake City International Airport and minutes from Old Town Park City, Montage Deer Valley is among the most easily accessible alpine escapes.

Leisurely strolls on the town's historic Main Street reveal an eclectic array of al fresco cafés, local art galleries, gourmet restaurants and specialty boutiques. Park City is also home to the illustrious Sundance Film Festival, Kimball Arts Festival and Deer Valley Music Festival, along with an impressive year-round calendar of events.

❖ MOUNTAIN MAJESTY ❖

In perfect harmony with its wooded setting,
Montage Deer Valley evokes the splendor of
North America's great mountain lodges.

THE REFINED MOUNTAIN GETAWAY, REDEFINED

Reflecting the nature-inspired beauty of classic mountain lodges, Montage Deer Valley also provides an exciting palette of modern-day amenities. Relax in the nurturing surroundings of our signature Spa Montage. Reconnect with your loved ones with a game of bowling at Daly’s Pub & Rec. Or simply retreat to your spacious guestroom and take in stunning vistas by the warmth of the fireplace.

❧ POWDER PERFECT ❧

The simplicity of true ski-in/ski-out access: Head out the back door, step into your skis and enjoy more than 20 lifts, 100 alpine trails and the “greatest snow on earth”—all within one of America’s best ski resorts.

ESCAPE FROM EVERYTHING, BUT WITH THE COMFORTS OF HOME

Part Craftsman simplicity, part mountain majesty, Montage Deer Valley provides an elegant, homelike getaway. The resort's 154 generously sized guestrooms and more than 66 suites and residences range from 600 square feet to 3,200 square feet with four bedrooms. Almost all include a private balcony or patio, where you can contemplate 75-mile panoramic views of pine and aspen-cloaked valleys and peaks. Five-fixture stone bathrooms boast lavish amenities, heated floors and deep soaking tubs. Stone fireplaces and estate-quality furnishings in all rooms add to the comfortable alpine sophistication.

CUISINE AS VARIED AND ENTICING AS THE ALPINE TERRAIN

With so much outdoor beauty to enjoy, appetites get hearty at Montage Deer Valley. But our innovative cuisine, comprised of the finest locally and regionally sourced ingredients, will satisfy both body and soul.

Daly's Pub & Rec delights families with upscale, pub-style favorites and brick-oven pizzas. Apex is Montage Deer Valley's signature restaurant, featuring regionally inspired ingredients in an alpine setting overlooking aspen groves. Burgers & Bourbon presents America's favorite classics, including gourmet burgers, fresh-cut fries, hand-spun shakes and craft spirits. Vista Lounge & Terrace serves up sweeping mountain views with handcrafted cocktails, Asian-inspired cuisine, desserts and nightly entertainment. Yama Sushi is a seasonal dining option with fresh sushi rolls and nigiri in an intimate setting. For coffee, tea and other gourmet-to-go favorites, Buzz features freshly baked goods, artisanal sandwiches and gelato. In-room dining is always an option, as are cooking classes and wine tastings with the resort's chefs and sommeliers.

MOUNTAINTOP GREAT ROOM

Meet up with friends and family at the Vista Lounge & Terrace, where you can unwind over coffee and cocktails while savoring a crackling fire, endless views and Live at Montage Concerts.

THE TRANQUILITY AND BALANCE YOU SEEK

Taking its cues from the majestic mountain landscape, Spa Montage Deer Valley delivers tranquility in many forms — an alpine-inspired treatment, a cleansing Vichy shower or perhaps our signature *Elements of Wellness* treatment, in which a selection of services is designed exclusively for your individual needs. Our highly trained artisans will collaborate on your personal goals, calling upon our spa's extensive resources: 29 well-appointed therapy rooms, an indoor mosaic lap pool, whirlpools, deluge showers, co-ed relaxation area, outdoor pool and private sun deck, sauna, steam rooms, mind and body movement studio, wellness center, full-service salon and more.

WHERE PRIORITIES BECOME AS CLEAR AS THE CRISP MOUNTAIN AIR

Montage Deer Valley's abundant family-friendly activities encourage a love for the great outdoors. Paintbox, our exclusive children's program, entertains guests ages 5 to 12 with a happy mix of games, crafts, movies and engaging indoor activities. Outside play includes active choices like snowshoeing or mountainside scavenger hunts. The whole family can gather for nature-inspired activities such as outdoor photography, family yoga, guided nature hikes and fly-casting lessons, as well as horse-drawn sleigh rides and outdoor concerts.

YOU'LL DISCOVER ENDLESS WAYS TO PLAY

The four seasons are equally magnificent here, as many local or savvy outdoor enthusiasts know. Winter sports become a blissfully simple pleasure with true ski-in/ski-out access, a Mountain Host whose very goal is to make your ski experience carefree and Compass Sports, our on-site outfitter offering lift tickets, ski rentals and the latest ski accessories.

As spring arrives, Compass Sports becomes the resort's center for summer mountain recreation. A network of mountain trails and lifts provide a playground for mountain bike enthusiasts while the pristine alpine setting offers up extraordinary fly-fishing, hiking, horseback riding, river rafting and championship-caliber golf.

OUR ROOTS GO DEEP

Park City is no engineered tourist attraction, but a real town steeped in authentic Western history. In 1868, the discovery of silver gave rise to a robust boomtown peppered with saloons, painted ladies and gunfights. Although Park City's fortunes fluctuated with the price of silver, the growth of winter sports brought about a renaissance in the 1960s. In the 1970s, the arts became the town's other defining feature, and in 2002, as host to the Winter Olympics, Park City earned well-deserved acclaim for its world-class skiing and hospitality.

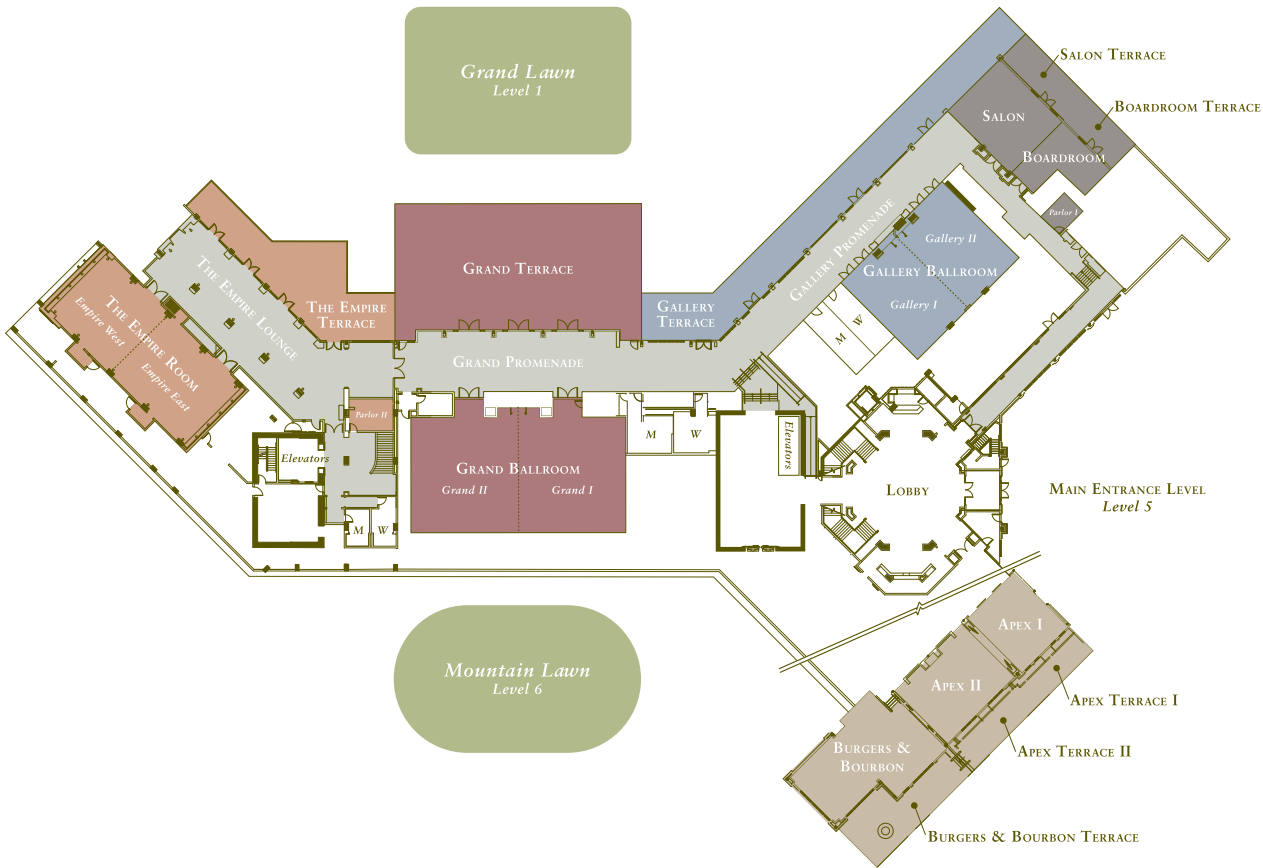

Visitors quickly discover that the authentic Western spirit underlying this special place is echoed by the unpretentious attitude of its residents. At Montage Deer Valley, we look forward to offering that same genuine and respectful care to all of our guests each day.
