

HAZEL HILL

LIST OF WINE & BEVERAGES

*We are delighted to open the bottles you have brought that are not on our list.
We charge \$40 for the first two bottles and \$60 for the following two bottles. (per 750mL).
Although infrequent, our vintages are subject to change.*

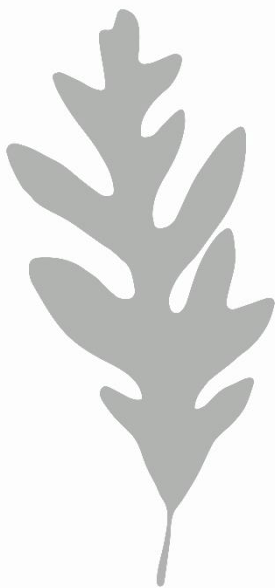

In the heart of Montage Healdsburg, where vineyards weave stories through the landscape, our curated wine list unfolds. An ode to the rich terroirs of Sonoma County, Russian River Valley and Alexander Valley, our collection embraces the essence of our local community. As you peruse these pages, you'll journey through the North Coast regions, each sip a step closer to the very vines that surround you.

Yet, our exploration doesn't stop at the California horizon. We wander across continents, handpicking wines that whisper tales of distant soils and grape varieties. It's a global symphony in a glass, as well as a celebration of diverse flavors awaiting your palate.

Crafted with care, our beverage selection extends beyond wines, encompassing signature cocktails from the Scout Field Bar Team, artisanal beers and enticing zero-proof alternatives. This list is more than a compilation; it's a testament to our passion for the artistry behind each bottle.

Thank you for being part of this journey. We look forward to the moments when our selections enhance your experience, adding a touch of sophistication to the stories you create at Hazel Hill. Cheers to shared memories and the pleasure of indulging in exceptional libations with us.

Thank you for joining us and we look forward to sharing our beverage options.
