## WELCOME TO OUR BELOVED COASTAL RESORT

We've arranged our ocean-view estate to hug the coastal cliffs and showcase the beauty of our inspired setting. For your convenience, elevators are available on the north and south sides of the resort, while our grand staircase can be accessed from the Level 5 Lobby. Spa Montage, the pools, Mosaic Bar and Grille, Studio, Paintbox and all outdoor venues are accessible on Level 1 — along with your direct path to the beach. Restrooms can be found on Level 4 as well as Level 5 near the Lobby Lounge.

Whether you're here for an elegant gathering or an intimate celebration for two, we hope you'll create memorable moments throughout our dramatic canvas.
