THE LAND

Defined by three historic rivers, Palmetto Bluff is secluded in the truest sense, and that is surely one of the reasons this land remains so pristine today.

For more than a century, the Bluff has been known to a privileged few as one of the wildest and most beautiful places in the South Carolina Lowcountry. Here, amid spectacular natural beauty rich in wildlife, diverse groups of people create their own legacy of living well by connecting to themselves, their families and other people through self-discovery, sincere interactions with each other, close contact with nature, authentic roots in history and an openness to new ideas.

With a dedication to conservation versus development, here at Palmetto Bluff, every adventure, inside joke and story stays rooted beneath the shelter of century-old live oaks. From calling wild turkeys to calling in your family for a freshly caught dinner, the adventures had here will become the legacies that last generations.

Stay for a little or stay for a lifetime, the magic of Palmetto Bluff is that it stays with you.

PALMETTO BLUFF CONSERVANCY

The Palmetto Bluff Conservancy was founded in 2003 to fulfill the conservation vision of this sacred piece of land in the heart of the Lowcountry. Every home site and home sale funds this non-profit organization dedicated to protecting the natural resources on the property. The Conservancy is the keeper of the natural and historical world of Palmetto Bluff and the organization responsible for educating everyone who comes to play, stay or make the Bluff their home.

With a vast outdoor classroom at our fingertips, the Conservancy serves as ambassador to each of our residents and guests, introducing them to this special landscape in ways large and small, structured and informal. Tours, classes, workshops, programs, research and field trips are all available to facilitate this environmental learning process. Property owners and guests alike can take a wildlife education class to learn about the many wild species living at Palmetto Bluff. Here, you will learn about the wide variety of habitats — from swamps to fields — and their importance for wildlife and people.

Visit the website by clicking here to see the current Palmetto Bluff Conservancy programming.

PALMETTO BLUFF CONSERVANCY

First Friday Lectures

On the first Friday of every month, the Conservancy hosts a guest lecturer to highlight important environmental topics for our members and guests.

Brown Bag Lunch Series

Each month, the Conservancy invites members and guests to pack a lunch and join them to learn about Palmetto Bluff as it focuses "internally" on history, archaeology, property management and a variety of scientific studies.

Field Trips

The Conservancy educates its residents on important ecological and cultural areas throughout the Lowcountry through regular field trips to see significant areas, both inside and outside the Bluff.

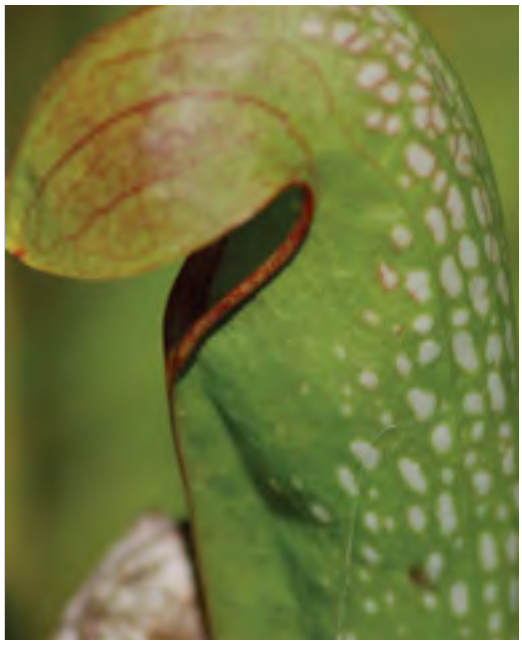

Programs and Special Events

In addition to regular monthly programs, the Conservancy offers a host of educational and experiential opportunities for members and guests to enjoy. Research initiatives, owl prowls and turtle marking are just a few experiences the Conservancy offers.

HISTORY

History is the fabric of our community, and with the help of an on-site archaeologist, Dr. Mary Socci, we study artifacts that reveal the fascinating details about previous occupants of the area. These artifacts are shown at some of our historical programming and lectures, with some dating back 12,000 years.

HISTORY

The Bluffton Experience (2 Hours)

Enjoy a relaxing cruise along the scenic May River and a visit to the quaint and historic town of Bluffton, South Carolina. This excursion begins with a comfortable boat ride along the river where you will enjoy a panoramic view of the tidal estuary and maritime forest as you head toward the heart of Bluffton. From the dock at the base of Calhoun Street, stroll the lazy streets dotted with 19th-century homes and visit the landmark Church of the Cross, Bluffton Oyster Company and Heyward House. Wander into the eclectic shops, artisan studios and art galleries. You are welcome to stroll the town on your own or, if you prefer, a guide will accompany you.

Daufuskie Island Tour (4 Hours)

Tucked between Palmetto Bluff and Savannah and accessible only by boat, the island is a real gem — a trip back in time — providing a glimpse into a fascinating chapter of Lowcountry history on the "undeveloped" side of Daufuskie Island. Visit several one-of-a-kind places including the First Union African Baptist Church, the Praise House, Mary Fields School (the inspiration for former teacher Pat Conroy's novel, *The Water is Wide*) the site of the Bloody Point Lighthouse and artisan studios. Learn the rich history of the Native Americans, the European settlers, the cotton trade, the Gullah people and the locals who have chosen to make this remote island their home.

THE STORE

THE SPORTING LIFE

Whether it is the serenity of a nature walk through the preserve, the challenge of testing your skills at the Shooting Club or the excitement in your child's eyes when you help them catch their first largemouth bass, Palmetto Bluff offers the best outdoor experiences of the Lowcountry. Our conservationists and guides are contagious with their knowledge and passion and inspire you to immerse yourself in the environment. There is no better place to have fun on the water, the marsh, and in the woods of the Lowcountry than at Palmetto Bluff.

TRAILS

Palmetto Bluff's expansive trail system provides even more opportunity to explore and discover the enormity of our 20,000 acres. Hop on a bike or a golf cart or go by foot on our walking trails that traverse the property and connect the residential neighborhoods to parks, recreational activities and the best of Wilson and Moreland Villages. If you're feeling adventurous, explore our water trails in a kayak or a canoe. If you need to cool off, take a dip in the May River. Please stop by Recreation in Wilson Village, the Ship's Store at Wilson Landing or the Outfitters in Moreland Village for a map detailing Palmetto Bluff's trails and its natural treasures and inhabitants.

All of our trails may be hiked or run comfortably, giving you the best view of the birds and wildlife that are so abundant at Palmetto Bluff. Our trails incorporate both improved and unimproved surfaces and lead you to scenic, historic, and wildlife viewing destinations. Be sure to wear comfortable clothing, bring bottled water, and apply sunscreen and bug spray. Keep golf carts, bikes, and pedestrian traffic on designated cart paths at all times. Driving golf carts on roads in Palmetto Bluff is prohibited.

When traveling our trails, you may encounter areas of the property under development; please be respectful of all signs, locked gates, heavy equipment, and/or traffic around designated construction zones. Palmetto Bluff Security can be reached at 843-706-6000. In case of emergency, please dial 911.

TRAILS

River Road Trail (5.3 miles)

TRAILS

Long Leaf Pine Trail (2.9 miles)

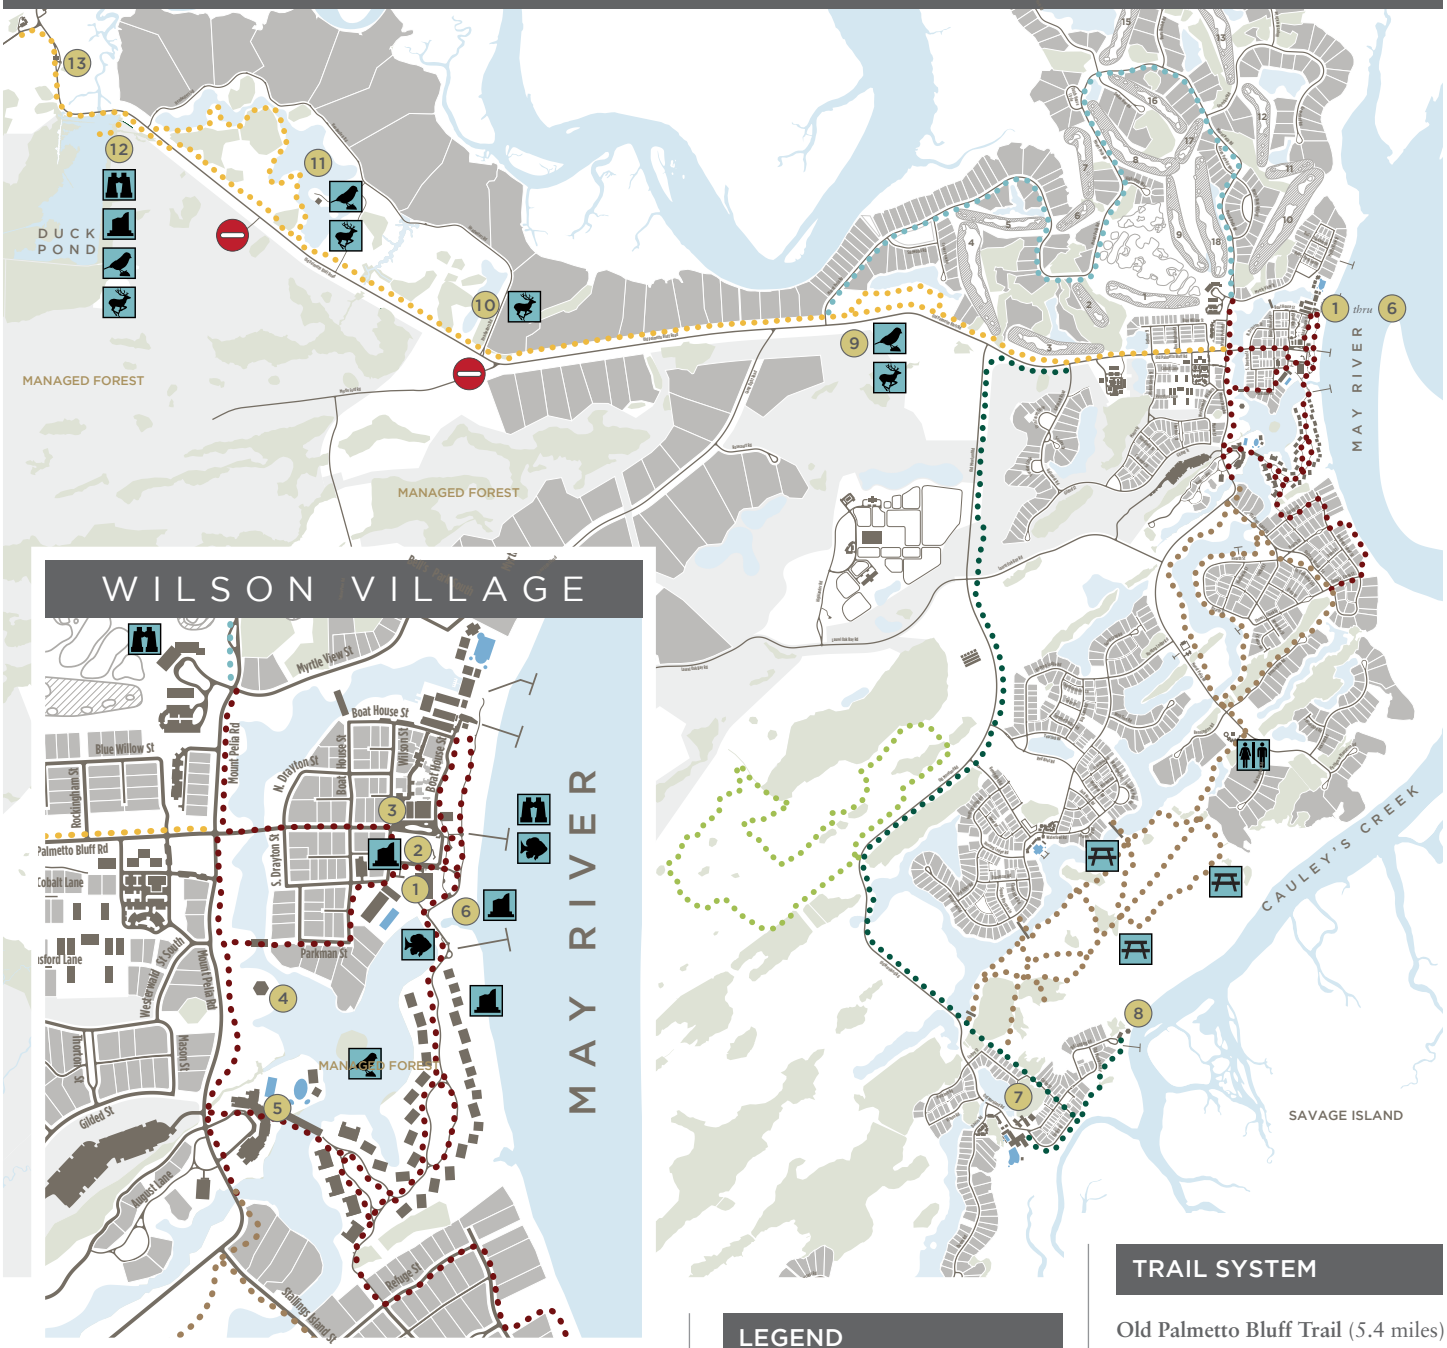

Mountain Biking

For the experienced mountain biker, the Long Leaf Pine Trail meanders through the pine uplands, with a few "obstacles" along the way. Please be on the lookout for some of "Big Jay's" turkeys — they are rumored to love this habitat.

MAY RIVER GOLF COURSE

You might chalk it up to mere curiosity if you wind up in a bunker at the May River Golf Course. After all, it's not every day you get to walk through sand from Ohio — especially when you're golfing in the South Carolina Lowcountry. And like everything at this beautiful Jack Nicklaus Signature Course, the sand is chosen for a reason, as its angular grain adheres better to sloped surfaces and holds up to coastal weather. Of course, there is much more than sand on this beautiful par-72 course, which weaves almost 7,200 yards along the banks of the May River.

MAY RIVER GOLF COURSE

Golf Practice Facility

The May River Golf Course features a world-class practice facility to help you perfect your game before you hit the links. The practice range features tee boxes at both ends, greens with bunkers, and a fairway specially shaped down the middle to give the golfer the perfect target. This facility also features a 2,000-square-foot uneven tee box as well as a 5-acre short game practice area with three regulation-sized greens complete with bunkers. The golf practice facility is available to registered guests at Montage Palmetto Bluff and members of the golf club.

Play the May River Golf Course

Weaving throughout the May River Forest, the May River Golf Course is an 18-hole, Jack Nicklaus Signature Course featuring several holes overlooking the banks of the river. At 7,171 yards, this amazing course is a spectacular blend of championship-level design and natural beauty that challenges golfers of all skill levels. All tee boxes and fairways feature Paspalum, an eco-friendly turf. Caddie service is required with each round, and we encourage you to walk the course so you can best appreciate the majesty of the century-old live oaks and the beautiful native landscape.

Golf Instruction

Private instruction is available, and all golf instruction is taught by certified PGA professionals. The Palmetto Bluff Golf Club is an exclusive golf club within Palmetto Bluff. Membership is only available to Palmetto Bluff property owners who choose to expand their social membership to include a Palmetto Bluff Golf Club membership. Registered guests of Montage Palmetto Bluff also have access to the course.

S'MORES

A nightly tradition since 2004 from 7 to 10 p.m. between the River House and the May River, discover one of our favorite traditions at Palmetto Bluff and gather 'round the fire pits each evening. Grab your choice of a variety of marshmallow flavors and chocolate from our s'mores cart, and roast your s'more to perfection over an open fire pit.

MUSIC TO YOUR MOUTH

The story of Music to Your Mouth began in 2007 when a small team of Southern food fanatics put their imaginations (and appetites) together to celebrate Southern cuisine, creating a sensory experience unlike any other. Music to Your Mouth combines talented chefs, vintners, brewers, distillers, and artisans from across the region (and around the world) to toast the tastes, sips, and sounds of the South. Join us at our table — we've saved you a seat. Click musictoyourmouth.com for more information.
